Local Pontiac Twins Smash Records: Named Among Nation's Sales Leaders

In less than two months in business, a local automobile dealer has reached national prominence. Twin Pontiac, the exclusive Pontiac dealer for the South Bay area, smashed all sales records and, for the month of June, was named among the nation's "Sales Leaders" by the Pontiac Motor Division of General Motors.

"I didn't think we could do it so soon," commented Richard and Robert Greenwald, twin brother owners of the Pontiac agency which is located at 405 Pacific Coast Highway in Hermosa Beach.

When asked for the reason for the sudden success, the twin brothers stated, "We knew everyone wants a car with the qualities and beauties of Pontiac... but most people ordinarily cannot afford one."

"So we started a new selling plan under which a purchaser can own a brand new Pontiac for \$100 less than the price of a Ford, Chevrolet, or Plymouth. That did it. Within 7 days we were out of cars and had to order 100 more from the Pontiac factory," the Pontiac Twins happily explained.

"Because of the success of this exclusive selling plan, we will continue it during the month of July," they announced.

Also on the program were 5 and 6-year-olds Steve Deering, Stewart Enger, Mary Lyn Eager, and Mary Katherine Croy. Presenting folk songs were Robert Redaelli, Edna Martinez, Robert Elliott, Raul Amavisca, and Betsy Foster.
